Proposed Fairview Hospital Expansion Project

NEIGHBORHOOD MEETING NOTICE

Please join me for a presentation of the proposed Fairview Hospital expansion plan with a discussion and questions to follow. The \$76 million proposal includes new parking lots, an expanded Emergency Department and Intensive Care Unit.

Fairview Hospital has agreed to present an overview of the project with detailed drawings and maps for review. We will be joined by the Commander of the First District, a representative from the City of Cleveland's Division of Traffic Engineering, as well as staff from Cleveland City Planning. The planned expansion is being finalized for submission to the Cleveland Planning Commission for public hearing.
