Question: Can my children get a good education in the West Park neighborhood schools in Ward 21?

Answer: Yes they can!

It's only fitting that the finest Cleveland neighborhood offers the finest schools. The West Park neighborhood offers a unique combination of high quality, award-winning schools. Whether you are seeking a public, private, charter, or faith-based school, the "best in class" are located right here.

To highlight the excellent educational choices that are available to neighborhood residents, the West Park Schools Consortium was formed. We are a partnership of all the neighborhood schools in Ward 21, local real estate professionals, and Kamm's Corners Development Corporation, which is the neighborhood-based non-profit planning and development organization serving the community.

We encourage you to visit each of our schools to see and compare them for yourself. To make it easy, see the list of schools, contact information, and some interesting facts on the reverse side. But, nothing substitutes for a personal visit. Take the time to visit and you will be quickly convinced—you can get an excellent education in the great family neighborhood of West Park!
